

# ATEM 1 M/E Advanced Panel 20

**\$3,899**

The ATEM 1 M/E Advanced Panel 20 is a single M/E, 20 input button switching panel that includes the features and flexibility needed for switching big and small productions in a highly portable and compact design. It has 2 independent system control LCDs plus it can control up to 4 M/Es in larger switchers. All input buttons include LCDs for custom labeling and there is an independent select bus. Dual power inputs provide redundancy and the built-in 4 port Ethernet switch means no additional network equipment is needed so it will fit even the most challenging live production spaces!

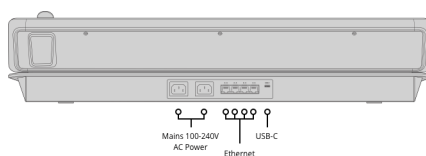

## Connections

### Ethernet

4 x 10/100/1000 BASE-T with loop output for additional control panels or computers.

### Software Updates

1 x USB-C for firmware updates.
